Nisarg Keluskar

computer science student (TY_B.tech)

TECHNICAL SKILLS

languages :-

- C
- C++
- Java (swings , awt) -intermediate
- Python - intermediate
- SQL
- HTML
- CSS -intermediate

Tools :-
- eclips
- NetBeans
- Ms VS code
- Pycharm
- Androidstudio - intermediate
- Wampserver

database management :-
- Oracle
- MySQL

PROFILES

- Github >
  https://github.com/TroGenNiks

- email > nisargkeluskar1913@gmail.com

- contact > 9588693009

EDUCATION :-

Graduation : 2019-2023
Sanjay Ghodawat university, Kolhapur.
degree:- computer science and engineering.
domain(selective) :- AI (Artificial intelligence)
CGPA :-
- 9.14 1st semester
- 9.32 2nd semester
- 9.44 3rd semester
- 9.86 4th semester

PROJECT :-

- **electricity billing system :-**

electricity billing system and database management . with two (Admin , Customer) interface ,
language/package :- java GUI (awt, swings , SQL)
database :- wampserver MySQL database

link :-https://github.com/TroGenNiks/Elctricity-bill-genrator

- **checkers game :-**

This is ICPC ' The International Collegiate Programming Contest is an algorithmic programming contest' problem we solved and modified to game development
language :- C++ (STL lib)

link :- https://github.com/TroGenNiks/chekers-game

SOFT SKILLS

- communication
- team work
- flexibility
- problem solving
- self management

INTEREST :-
- WEB DEVELOPMENT
- DATABASE MANAGEMENT
- ARTIFICIAL INTELLIGENCE
- TEACHING
- PAINTING
